Forecast for Monday 23 Jan 2023

Weather: A lot of low cloud shrouding the summits expected through the day, a little light rain or drizzle at times more especially in the morning and across coastal ranges. Cloud may thin and break across southern Lochaber in the morning and northern Argyll in the afternoon along with the Paps of Jura.

Chance of cloud-free hill tops above 800m: 40%, best chance in the north in the afternoon

Low Cloud and visibility: Widely poor in extensive low cloud down to 300 to 600 metres, but cloud becoming more broken in the north of the area but still rather hazy visibility.
